

 The rehab is now 50% complete!

Construction Continues!

Construction will be completed at **927 W. Wilson this month!** Residents will start moving back to their renovated units during the week of **July 14<sup>th</sup>**.

Relocation for residents at **900 W. Windsor** and **847 Sunnyside** will begin this month as well.

Below is a general HUPA relocation schedule for the coming year, we will be updating you on any changes month to month. Reminder that **you will always have at least 30 days notices** and packing materials before your relocation starts.

Building	Relocation Start Date	Relocation End Date
927 W. Wilson	January 2025	July 2025
900 W. Windsor	July 2025	September 2025
847 Sunnyside	July 2025	September 2025
4431 N. Clifton & 4130 N. Kenmore	September 2025	November 2025

Preparing for Your Relocation

As you get ready to move into your temporary unit, please keep in mind:

- You will continue to pay rent and all apartment-related bills for your original unit.
- Do not transfer utilities to the temporary unit.
  - POAH is covering everything in the temporary unit—you don’t need to pay or set up anything there.

Questions? Reach out to your URS team for more information.

The Management Office is Moving  
(Temporarily)

**Starting on Monday July 14<sup>th</sup>** The Property Management Office will be temporarily moving to **927 W. Wilson in the community room** while Sunnyside is under construction.

Please be on the lookout for a text blast later this month that will alert you when the move has happened.

URS REMINDER:

Make sure to follow all of URS’s guidelines as you get ready to move to your relocation unit. Any belongings you don’t want to bring with you to your renovated unit should be thrown out before hand. Moving day can be very hectic so plan ahead to make it less stressful for you and your family!
